INTERNET SAFETY - ROBLOX

It has been brought to our attention that there are currently issues surrounding the safety of a site known as ROBLOX. This is a popular APP frequently played by children from 5 to 10 years of age. We would urge parents to check any site their child is playing on from a safety perspective. From the information we have received it would appear there is inappropriate content on this site and children are also able to message 'Strangers'. It is vital for parents to be vigilant with their children's internet safety and we are flagging this up to ask everyone to check their child's internet activity.

If you have any concerns call your local Policing team on 101, who will be able to help you with information regarding this.

We are planning to hold an information afternoon/evening with our local Police team covering a variety of aspects of internet safety and also social media etiquette.

TALENT SHARING

Oscar Miller-White shared with us in an assembly his wonderful electric guitar skills.

If any other child would like to share their achievements they can speak to their class teacher to arrange this.
