

Spring Term Session 2 11/1/18

Year 3 Forest School

This week we did Forest School on site again as it was still too wet at Clive's Fruit Farm.

This week many cafes were created selling Gruffalo cakes and pies. Some children created a den with a bed made of logs and their own camp fire for cooking on. Some other children created a pet shop. The structures were made using logs, ropes, pegs, tarpaulins and fabric.
