

CURRICULUM INFORMATION - Summer Term 2019 Class 5

Dear Parents/Carers,

Welcome back after the Easter holidays (in which, if the children's reports are to be believed, there was quite a lot of restraint on the eating chocolate eggs front!).

Our topic this term is 'Through the Decades'. We will all be able to contribute to this topic, as our own memories from the later part of the 20th century will provide a rich source of primary evidence for the children. The children will be learning how culture, fashion, technology, the economy, dance and music all dramatically changed between the 1920s and 1990s.

Please find overleaf a brief outline of the rest of curriculum content for the term.

Homework	English and Maths homework will go out every Wednesday to be completed and returned by the following Monday
Year 5	Spellings will be sent home on a Monday and tested on the following Monday
20-30 minutes	Reading and times tables should also be worked on at home throughout the week. As discussed at the recent parent consultations reading every day and from a range of books is vital from your child's progress in learning.

Important Dates

- Wednesday 8th May - QinetiQ Robotic Challenge
- Wednesday 26th June - Malvern Abbey Lifepath retreat

P.E.

A reminder that outdoor sessions will take place every Friday and indoor P.E. will take place every Wednesday. Earrings must be either removed or covered with tape during lessons and I have reminded children that failure to be prepared for a P.E. lesson because of missing kit will result in a detention (10 minutes missed break).

Please do not hesitate to contact me if you require any further information on the curriculum programme for this term.

Yours in partnership,

Stuart Adams
