

## Reception Forest School Session 4 9.10.19

Today we thought about the story of Where the Wild Things Are. The children joined in with the story. Some children thought they had seen Wild Thing footprints in Forest School and went to search for them. Others used the tarpaulins and ropes for the first time to make Max's den in his bedroom. Some children made their own campfires to cook marshmallows on and others enjoyed exploring different sounds of a musical rumpus. They found out that different objects made different sounds. The children also enjoyed experiencing the changes in the season and made autumn crowns and leaf wands. Some of them became woodland fairies.
