

Upton Primary Newsletter

4th October 2019

Upton-upon-Severn CofE Primary, Nursery and Pre School and Riverboats SureStart Children's Centre, working together to support the local community

**Our School Vision is to offer inspiration to young lives
'Anything is possible, we can all succeed'
'To inspire ... To aspire'**

I can do all things through Christ who strengthens me. *Philippians 4:13*

Bible quote for this week:

Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.

Galatians 6:9

HARVEST FESTIVAL

Thank you to all the members of our community who were able to attend our Harvest Service this morning at the Upton Parish Church. Our Year 6 CREW members narrated the service superbly and told us about the journey of a loaf of bread. Each class played their part: Reception were bakers; Year 1 were millers and sung in a round; Year 2 shared about transportation with some lovely artwork; Year 3 were farmers and used Makaton to share their song; Year 4 shared a song about seeds with some inspired chanting; Year 5 played musical instruments about soil, rain and sun and Year 6 sang an adjusted version of a George Ezra song about God.

Many thanks for the staff, church members, children and the community who were able to come together to make this such a great service.

We also would like to thank all those parents who helped with setting up in the Church and to everyone who donated food for the local Foodbank.

OSCAR DAY - REMINDER

Friday 11th October we will be holding a bootcamp session for all to attend at 9.00am to support Oscar Saxelby-Lee in his plight to fight T-cell Acute Lymphoblastic Leukaemia. All are welcome to join us in this bootcamp session and entrance for adults will be via the Prices Lane gate by our forest school area where a collection bucket will be available.

This will tie in with a special fitness day and children will be allowed to come to school wearing sportswear (funky/football kit/rugby kit - no studded shoes only trainers).

THE UPTON-UPON-SEVERN READING COMPETITION

Between now and Christmas we will be holding an Extreme Reading Competition for all children. Take a photo of the most extreme place you have been reading. All entries will be displayed and a first and second prize awarded at the end of term.

How extreme can you be?

Photo entries can be emailed to: office@uptonuponsevern.worcs.sch.uk

What is a Mystery Reader?

At Upton upon Severn Primary School, we strive to foster a love of reading both in school and at home. The aim of "Mystery Reader" is to show children that adults love reading too so we would like to invite parents, grandparents, family members or members of the community to come in and read to a class. We would be delighted to have readers from all areas of the community from police to vets, postmen to plumbers.

Please choose a book you particularly enjoyed reading when you were growing up or a current children's book brought from home, or selected from the school library.

If you think you would like to read or you know someone who might, please let the office know and we will find an appropriate day and class for you to read to. Costumes and props welcome.

In order for the class to gain the full impact and excitement of the reader experience, please keep it a secret and hence a mystery, even from your own child!

STAFF TRAINING

As part of our continuing school development the staff are currently reviewing policies. Over the last week staff began looking at the School Behaviour Policy and the implications of current research in this area. This is an ongoing focus for this term and any decisions/changes made will be shared with you in the near future.

COMMUNITY

A vibrant poster for a LEGO library event. The background is a dense field of colorful LEGO bricks in red, blue, green, and yellow. In the top center, there is a red LEGO logo. The main title, "BUILD THE LEGO LIBRARY OF THE FUTURE!", is written in large, bold, yellow, 3D-style letters. To the left, there is a small inset image of a LEGO building. On the right side, there is a white rectangular box containing event details. At the bottom, there is a yellow banner with text, and a small logo for "WORDSEARCH" is visible in the bottom center.

LEGO

BUILD THE LEGO LIBRARY OF THE FUTURE!

UPTON LIBRARY
Sat October 12th
10.00 – 11.30
