

Year 2 Forest School Session 5 16.10.19

Today we thought about the story of 'The Gingerbread Man'. The children retold the story at base camp. Some children made houses for the Gingerbread Man so that he would be warm, dry and safe from the fox. Other children thought of alternative ways for the Gingerbread Man to cross the river. Some children attempted to make a ladder in their den while others used some apples to make bird feeders.
