

## Year 2 Forest School Session 11 18.12.19

Today we read the story of 'Stickman'. The children went off and investigated what they could do with a stick. Children wanted to make a swing while others built a bridge across the dig pit. We cooked popcorn on the fire and enjoyed watching it pop. We ate it with chocolate sauce which was delicious. Today was knot tying day - we tried to use different knots for different purposes.
