

SOCIAL DISTANCING PICK-UP TIMETABLE FROM MONDAY 16th MARCH 2020

Dear Parents/Carers

As you will all be aware the situation regarding the Coronavirus is changing daily. Social distancing is an important public health intervention that can reduce potential transmission. As a school we introduced a social distance policy on Friday but the end of the day arrangements were not as effective as we would have liked.

We have thought about this over the weekend and have come up with a flexi end of the day and an increase in the morning gate hours, to ensure more opportunity for parents to be socially distant from each other. Please see attached the grid for the end of the day. I will be closing the morning gate at 8:50 to give an extra 5 minutes of flexible time in the morning.

I would like to thank you all again for the support during these challenging times.

Mrs Wills
