

## Nursery Forest School

### Session 2 Autumn 2 Week beginning 2<sup>nd</sup> November

Today we thought about fireworks and Bonfire night. Some children made leaf sparklers, others explored making marks like fireworks in the tuff tray. Other children worked together to create some splatter firework pictures. Some children decided that Forest School looked a bit messy and decided to use sticks to sweep up the leaves. As it was chilly this morning we finished with a cup of warm squash to warm us up.
