

Nursery Forest School

Session 9 Autumn 2 Week beginning 30th November

This week nursery have been learning about The Nativity. In Forest School we made the road to Bethlehem using logs and tyres, we had a star trail where the children had to find the stars hidden in Forest School and complete the task written on them. Some children made stars with sticks while others had a go at using a hammer and a nail to make holes in a tin can to make a lantern to light the way. It was a lot harder than some of the children thought but we persevered and made a beautiful lantern.
