

Reception Forest School

Session 5 Autumn 2 Week beginning 30th November

Reception have been learning about the story of The Jolly Christmas Postman. In Forest School the children delivered letters, completed a star trail, where the children had to find stars hidden in forest school and complete the tasks written on the star. Some children made stars in different ways. Other children decided to get a group together to play Grandmother's footsteps. Towards the end of Forest School a little marching band formed so we decided to sing a couple of Christmas songs at base camp before we went in.
